Please **SAVE THE DATE** for our upcoming Tumor Board Dinners:

Wednesday, September 29, 2010

Wednesday, October 20, 2010

Tuesday, December 7, 2010

Objectives: To meet the educational standards required for Mercy Hospital as a Cancer Center including case studies of patient management issues for a variety of cancer sites and to address patient care issues identified by the CyberKnife Institute committee.

Distinguish CyberKnife Radiosurgery from Gamma Knife and other delivery methods,
Review importance of local control in benign/malignant disease,
Discuss intracranial and extracranial applications for radiosurgery

Mercy Hospital is accredited by the Florida Medical Association to sponsor continuing medical education for physicians.

Mercy Hospital designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 credit(s)*TM Each physician should only claim credit commensurate with the extent of their participation in the activity.
