[fberti@mercymiami.org](mailto:fberti@mercymiami.org) or 305.905.5745

**Objectives:** At the conclusion of the activity, the participant will be able to:

*Understand the technical principles and capabilities of the CyberKnife, the range of its clinical indications, and the procedures involved to safely carry out a CyberKnife application.*

*This program will enable the participating physician to partake in the second phase of supervised clinical implementation before final certification of independent use.*

Mercy Hospital is accredited by the Florida Medical Association to sponsor continuing medical education for physicians.

Mercy Hospital designates this educational activity for a maximum of 4.0 *AMA PRA Category 1 credit(s)*<sup>TM</sup> Each physician should only claim credit commensurate with the extent of their participation in the activity.
